SCHOOL TRAVEL EXPERTS

**FOR OVER
50 YEARS**

ITALY | AUSTRIA | ANDORRA | FRANCE | USA | CANADA

Welcome

As skiers and boarders ourselves, we know what it takes to create the ultimate ski trip. We all remember our first time on the slopes: the nerves, the anticipation, the falls! But most importantly, the fun of it all. That's why we want to give every student the opportunity to step out of their comfort zone, learn a new skill and experience the highs of skiing that keep us coming back year after year.

We've sought out the best resorts that are perfect for schools, from close-to-home European destinations to exciting long-haul locations. And this year Big White in Canada (p33) is our newest addition! For awesome powder, piste-side hotels and inviting village vibes, check it out.

And whilst we're all about the skiing, we'll work with you to strike the right balance between time spent on and off the slopes, as well as provide all those finer details that really 'make' a school ski trip.
