INSPIRING TAILOR-MADE YOUTH MUSIC TOURS

BELGIUM | PARIS | TUSCANY | PRAGUE | MALTA | NEW YORK | UNITED KINGDOM | AND MORE

CONCERT TOURS ARE BACK!

2020 and 2021 certainly weren't what any of us anticipated, challenging us all in ways we could never have imagined. 2020 was shaping up to be our most successful year yet with groups set to depart on concert tours all around the world.

Then the world came to a standstill...

But while the world stood still, we carried on and remodelled our business to keep our clients at the forefront of everything. We issued customer refunds amounting to £5,200,000 and our teams successfully postponed over 250 tours. We had a monumental 35,000 customers whose tour plans were affected. This is testament to our staff, our suppliers and clients all working patiently together and trusting that the outcome would be the best possible scenario for all.

So, when you choose Rayburn Tours, you're in safe hands and we believe we've proven it!

Music groups have missed out on face-to-face rehearsals, concerts and much more over the last year, so there really hasn't been a better time to give them something to look forward to. A music tour brings ensembles together on a whole new level, giving you the opportunity to bond as a group and explore an exciting new music scene. We'll seek out the venues that perfectly match your ensemble's repertoire, as well as take care of all the essentials and tailored extras – helping to create a tour that's totally unique to you.

The appetite to travel is as strong as ever and we're seeing increased demand from musical groups for 2022 trips even earlier than usual. So whatever your sound and style, we're sure we've got something to inspire you to take that 'musical leap' onto the international stage.

One size doesn't fit all...

We share sample itineraries in our brochures and on our website to give you an example of how your tour could look, but we pride ourselves on creating a tailor-made tour for you, based around your requirements and wishes. However big or small the request may seem, however specific your requirements are or aren't, we will build your tour around your objectives because that's the Rayburn Tours way!

Working together to build a truly tailor-made tour.

"We would like to perform at a particular venue that we performed at on one of our previous tours. Can you organise this for us?"

We will try our very best! We have a fantastic network of contacts in all of our destinations to ensure we have a wide variety of concert venues and something to suit every group's sound. We have done our research so that we know the ins and outs of the venue including the best time of day to perform there and how we can drum up an audience. If we haven't worked with a particular venue before, then we will do our very best to get in touch with them to make your concert happen, and if we can't, we will give you some suitable alternatives.

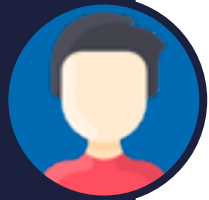

"We would like to build our tour around performing at the Edinburgh Festival Fringe. Is this possible?"

Absolutely! We have built many tours that centre around a particular music festival or competition. Edinburgh is a popular choice with groups, but there are also festivals and competitions around Europe that we have incorporated into a group's tour. During a festival or competition, accommodation can be harder to come by so we do recommend planning as early as possible.

"On our last trip to Ypres, we stayed at the Menin Gate School Hotel and would really like to stay there again if possible."

Whilst we can't guarantee your preferred hotel will have availability on your chosen dates, we will do our very best to facilitate any requests. We also often get requests to visit specific excursions, restaurants and leisure activities that were popular on previous tours, and this is something your Tour Coordinator will build into your itinerary and make the necessary arrangements.

Other requests we've facilitated for groups:

- ✓ Provided a cake to celebrate a birthday while on tour.
- ✓ Arranged a Papal Audience whilst in Rome.
- ✓ Planned a trip to a 'twinned' town.
- ✓ Organised a WWI Battlefields tour whilst in Belgium.
- ✓ Hired a space for a karaoke evening.
