TOP TIPS

COACH OR AIR TRAVEL

For coach trips, soft shell suitcases are preferred. If travelling by air, please check the weight and size restrictions applicable to your airline.

SHOP SMART

Don't be fooled into thinking you need to be kitted out head to toe in top of the range branded gear. There are plenty of more affordable options to choose from! Did you know you can even buy ski gear from Aldi?

RENT IT

Another option is to rent your ski gear. We recommend EcoSki, who are a leading supplier of ski clothing for schools.

SWAP AND SHARE

Why not run a swap and share scheme? Students who have been on a ski trip before can sell or donate their ski gear to other students. Genius!

CREATE A WISHLIST

Students can be gifted ski gear for their Christmas or birthday presents.
